Discussion of Non-Metallic Mining Ordinance, both in the form that the Planning Commission has endorsed and also in the form that Attorney John Wagman has recommended that the town adopt. Dickinsen listed some opinions and concerns that the Wisconsin Towns Association attorneys have shared with him. They are recommending that we pass the version with Attorney John Wagman's changes. Following discussion, there was a general consensus that we should require a Mining Agreement in addition to the Ordinance, and that we require Public Notice.

The Board and Plan Commission members went over Attorney Wagman's recommendations to the Non-Metallic Mining Ordinance one by one, and made comments for Chairman Dickinsen to discuss with Wagman, and/or the WTA attorneys.

Discussion of the current Non-Metallic Mining Moratorium which expires November 28, 2014.

Next meeting of the Board and Plan Commission will be held Monday, November 24th, at 6:30 p.m. The Agenda will include the Non-Metallic Mining Moratorium, and adoption of the Non-Metallic Mining Ordinance.
